

1000m²
Innenbereich

This is an aerial photograph of a large industrial or commercial building complex. The main building is a long, red brick structure with a grey corrugated metal roof. A section of the roof is highlighted in red and labeled '1000m² Innenbereich'. To the right of this red section, another part of the roof is highlighted in blue. The building is surrounded by a large asphalt parking lot with several cars parked. In the background, there are other buildings, including a large grey one and a smaller red one, and a green field. A road runs along the right side of the property, and a yellow crane is visible in the distance.
